CableOrganizer.com Named to Inc. Magazine's 4th Annual List of America's 5000 Fastest-Growing Private Companies

The ever-growing, industry-leading wire management, electrical and telecom eTailor steps into position number 3,058 on the 2010 Inc. 5,000 list

FORT LAUDERDALE, FL, August 30, 2010 - CableOrganizer.com (<http://CableOrganizer.com>), among the world's leading purveyors of cable, wire and equipment management solutions for use in business and at home, today announced it has been named on the 4th annual Inc. 5,000 list of the fastest growing private companies in the United States, as revealed in the September issue of Inc. magazine. The company ranked in position number 3,058 on the highly-coveted list, having realized 7% sales growth in 2009 alone, despite the lingering economic recession. This honor marks CableOrganizer.com's fourth consecutive year in the Inc. 5,000, with the company having secured positions 2,358 in 2009, 1,929 in 2008, and 127 in 2007.

"With this accomplishment, CableOrganizer.com joins the rarified company of enterprises who have appeared on the list multiple times, many of which have grown to become national icons," notes Inc. magazine editor-in-chief Jane Berentson, in a congratulatory letter to the company. "Your success – all the more extraordinary given the recent economic climate – is truly worth celebrating."

According to Inc., the Inc. 5,000 is an expansion of the Inc. 500 introduced in 1982. The Inc. 5,000 includes the Inc. 500, but digs deeper to offer the most comprehensive look ever at the entrepreneurial engine driving the U.S. economy.

"Once again, we are incredibly honored have our company's growth recognized by as venerable an organization as Inc," said Paul Holstein, co-founder and COO of CableOrganizer.com. "Being named among a roster of such stellar peers continues to validate our hard work and ever-evolving approach to online retailing, and we're delighted to be where we are."

In order to qualify, companies must be US-based and privately held, for profit, and independent – not subsidiaries or divisions of other companies – as of December 31, 2009, and have had at least \$80,000 in revenue for 2006, and \$2 million in 2009.
