CableOrganizer.com Offering Full Line of Legrand/Wiremold End-to-End Wire and Cable Pathway Solutions

Industry leading eTailer now offering Wiremold products to provide its customers wire and cable management systems with unequalled performance, flexibility and productivity

FORT LAUDERDALE, FL, July 6, 2010 – Award-winning eTailer CableOrganizer.com, among the world's foremost providers of cable, wiring and equipment management products for use in business and at home, today announced it carries the full line of Legrand/[Wiremold](#)® products, including cable raceways, cord cover protectors, wire molding, faceplates, jack modules, connectors, and deQuorum Worksurface PDC. CableOrganizer.com offers this breadth of Wiremold products from its industry leading, award-winning online catalog located at <http://cableorganizer.com/wiremold>.

Legrand/Wiremold, headquartered in West Hartford, Connecticut, is the leader in wire and cable management systems, including metal and nonmetallic raceways, power-poles, poke-thru devices, floor boxes, Walker® underfloor systems, plug-in outlet centers, firestopping systems, and innovative architectural columns. As the industry's largest provider of end-to-end wire and cable pathway solutions, [Wiremold](#) delivers the widest range of innovative ways to get from point A to point B. Thanks to advanced products and systems designed to work together seamlessly, Wiremold products provide users with unequalled performance, flexibility and productivity.

The following are among the Ortronics, faceplates, jacks, connectors, surface raceways, cord protectors, low voltage, and keystone [Wiremold](#) products available at CableOrganizer.com:

[Wiremold Ortronics Series II® Faceplates](#)

About Legrand

Legrand is the global specialist in products and systems for electrical installations and information networks where people live and work. Its comprehensive offering of solutions for use in commercial, industrial and residential markets makes it a benchmark for suppliers worldwide. Legrand has a strong presence in the North American market, with a portfolio of products that includes Cablofil, On-Q, Ortronics, Pass & Seymour, Vantage, Watt Stopper and Wiremold. The company is actively expanding its market divisions that include Electrical Wiring Systems, Home Systems, Lighting Controls and Commercial Datacom. Innovation for a steady flow of new products with high added value is a prime vector for growth. Legrand reported sales of \$5.0 billion in 2009.

About CableOrganizer.com

Founded in February 2002 and headquartered in Fort Lauderdale, FL, CableOrganizer.com is a premier cable and wire management-related product vendor. The company provides companies, organizations and individuals around the globe with 24/7/365 access to an extensive array of high-quality products and information resources through its convenient online storefront. In addition to <http://CableOrganizer.com>, the company also owns and operates <http://CableOrganizer.fr>, which is operated out of Rennes, France. CableOrganizer.com also publishes "On the Wire," a free monthly electronic newsletter with a considerable multi-national opt-in circulation base. Among other honors, CableOrganizer.com is continually named among *Inc. Magazine's* Inc. 500 and 5,000 and *Internet Retailer* magazine's "Top 500." CableOrganizer.com also ranked on DiversityBusiness.com's list of "Top 500 Women Owned Businesses in the U.S." and was named among the *South Florida Business Journal's* "Best Places to Work."
