

WireHider®

Flat Screen TV Cord Cover Kit

(White: # FSTVK-01 Beige: # FSTVK-02)

Features:

- * Hides and Guides Unsightly Wires and Power Cords!
- * Paintable Cover Lid for Color Matching to Any Decor.
- * Compatible with Standard WireHider Accessories
- * Clear Base Channels for Easy Identification of Cables, Wires and Power Cords. (Size: 48" L x 3"W x 1"H)

Installation Instructions

1. Measure from the center of the T.V. and draw a line marking the center using a square edge to ensure the WireHider kit is straight as shown.
2. If necessary cut the WireHider base channels and Cover Lid to the desired length using a fine tooth hacksaw.
3. Just peel off the protective liner from the back of one of the clear WireHider base channels and press firmly in place.
4. Once in place peel the protective liner from the remaining WireHider base channel and push it along side of the other channel and press firmly in place.
5. Press the cables, cords or wires through the soft plastic flaps and when ready snap on the protective Cover Lid.
